An elegant collection of handmade toasters in polished stainless steel.

All manufactured to Rowlett's traditional high standard.

Engineered for reliability, the Premier Collection is Rowlett's flagship toaster range, enjoying huge success in pubs, clubs, restaurants, leisure outlets, hotels, government offices, local authorities, institutions, and caring establishments.

Select from a wide choice of Bread and Sandwich toasters available with variable settings for toasting perfection.

Features include

- Bread, thick 'n' thin, brunch and sandwich toasters
- Variable timer with 'Toast Ready' ringer
- Energy efficient rotary slot selector switch
- Neon indicator lamp
- Handmade in the UK by skilled craftsmen
- Every toaster individually tested and certified before leaving the factory
- All parts guaranteed, except elements

Premier Bread

Premier Collection bread toasters come in 2, 4, 6, 8, 10 and 12 slice models. Controlled by a timer, neon indicator lamp and rotary slice selector. This provides all the control necessary for perfect results.

Premier Sandwich

Premier Collection sandwich toasters are designed to provide optimum energy efficiency by featuring separate timers for each slot. Available in 2 and 4 slot size, each with integral plated sandwich holders and heat resistant handles.

Premier Brunch

Premier Collection brunch or combination toasters feature two conventional bread slots and one special slot with a holder for toasting sandwiches. Controlled by a variable timer and rotary slot selector switch for toasting single slices of bread, sandwiches and buns.

Premier Thick 'n' Thin

Premier Collection thick 'n' thin toasters - the three in one multi-use - feature two ordinary slots and two wider slots. Controlled by a variable timer and rotary slot selector switch, which controls either the conventional or wider slots, or alternatively, all slots simultaneously.
